BEARCATS FAIL TO SCORE

Lose to Tarkio, Seventeen of Their Men Striking Out and Making Only Two Hits.

Running true to form, the Normal baseball team was defeated at Tarkio Saturday by a score of 7-0. It was merely a case of the Normal pitchers being unable to hold the opposition and the Normal batters being unable to put any runs across.

Van Cleve pitched the first five innings for the Normal and had nothing. Tarkio banged out eleven hits and scored six runs during this time. Ferguson took up the burden in the sixth and got away fairly well. In the three innings which he labored the collegians gathered in three more hits and one run.

The Normal batsmen continued striking out, the habit being formed in the Jewell game, when 22 men struck out. This time, however, they were able to whiff the air only seventeen times, and two men, Van Cleve and Allison, managed to connect for hits.

A new line-up started the game for the Normal but it apparently improved matters little. Sawyers did the catching and Van Cleve and Ferguson the pitching. "Steve" Allison performed very creditably at first and Garard at second. Van Cleve took short when Ferguson took up the pitching. Bird remained at third, and the outfield was composed of Scarlett, Wagers, and Corum.

A return game with Tarkio will be played Tuesday, May 22. This will be the last game of the season and the "Tombstones" will try to get one victory in their conference schedule. Ferguson will probably continue in the box, Van Cleve taking his place at short.

Fred Smith and sister, Mrs. N. M. Feuquay and Mr. and Mrs. R. E. Allen drove to Hopkins yesterday.

MR. KARR'S DEATH

HAD LIVED IN NODAWAY COUNTY NEARLY HALF CENTURY.

HE WAS AN OLD SOLDIER

Funeral Was Held At 2 O'clock Today at Christian Church — G. A. R's Attend in A Body.

J. T. Karr, 76 years old, who died suddenly at his home on West Third street at 4 o'clock Saturday afternoon following a stroke of apoplexy, was a resident of Nodaway county for almost fifty years and was a familiar figure in social and religious activities in Maryville.

Mr. Karr was born in DeWitt county, Ill., on Christmas day, 1840, and when a very young man entered the Union army. He fought right through the war, and a few years after its close he married Susan Davis, also of DeWitt county.

In 1869 Mr. and Mrs. Karr came to Nodaway county, where Mr. Karr purchased a farm near Barnard. About seventeen years ago he retired from active farm life and Mr. and Mrs. Karr moved into Barnard, living there for two years. Then they moved to Maryville where they have resided for the last fifteen years.

Mr. Karr was a loyal church member having affiliated with the Christian denomination at an early age. While farming near Barnard, he was one of the prime movers in church affairs at the Salem church and soon after taking up his residence in Maryville, he was elected elder of the Christian church, a position which he has held ever since with honor and credit. Mr. Karr never missed going to church and every Sunday would see him in his accustomed place joining in the hymns and taking other parts in the service.

Mr. Karr was an interesting talker and his tales of the days which he served in the war were heard with interest whenever he chose to tell them. "Uncle Tommie," as he was familiarly called, had friends among the young and the old.

Mr. and Mrs. Karr celebrated their golden wedding anniversary February 25 and were the recipients of many presents and congratulations. A post card shower was given by the members of the Christian church and other friends on this occasion.

Mr. and Mrs. Karr had one child which died in infancy. Mr. Karr is survived by one brother, George Karr, who lives in Perry, Okla., and who was unable to be present at the funeral on account of illness; two nieces, Miss Myrtle Karr of St. Joseph and Mrs. Will Debois of Barnard, both of whom are in Maryville for the funeral and two nephews, Will and Ed Rogers, formerly of Barnard, but now of Montana. Will Rogers will arrive in Maryville from Montana tomorrow noon.

Funeral services for Mr. Karr were held at 2 o'clock this afternoon at the Christian church, the Rev. C. Emerson Miller officiating. The services were also in charge of the Civil War veterans, from whom the pall bearers were selected: Noah Sipes, Henry Heitman, Aaron Souers, J. D. Dickerson, Thomas Neal and James Croy. Burial was in the Oak Hill cemetery.

PLAN DRAINAGE DISTRICT

Arkoe and Barnard Farmers Appoint Committee to Find Out If Required Acreage Can Be Secured.

Plans for the formation of a drainage company to straighten the 102 river from where the drainage ditch ends at the Carr bridge to the Andrew county line were extensively discussed at a meeting of the Arkoe and Barnard farmers interested in the proposition, held at the State bank at Barnard Saturday evening.

The feasibility of organizing a drainage ditch company was discussed, and a committee was chosen to find out if the required acreage could be secured. It is necessary for the majority of the farmers living in the district to consent to the formation of a drainage district before a company of this kind can be perfected.

The members of the committee are: John Price, Sam Smith, John Fields, Dr. Larrabee and Mr. Turner. They will report to the farmers as soon as the necessary data can be secured.

Attorney Fred Harvey, who has acted in an official capacity for the other drainage companies in the county, was present at the meeting and explained the technical points of the formation of a drainage district.

368 ARE AT DINNER

PRESBYTERIAN CHURCH HAS A MOST SUCCESSFUL MEETING.

DOCTOR COILE'S SERMON

Was Excellent Explanation of the Text "Honor Thy Father and Thy Mother.

Dinner is still a name to conjure with, regardless of the high cost of living for 368 people, members of the First Presbyterian church and their friends, were served during the luncheon hour of the all-day congregational meeting held at the church yesterday.

The gathering was the greatest of its kind ever held in the church both in attendance and interest, and was arranged in honor of Parents' Day.

It was also the first congregational meeting, outside of the regular services since the coming of the present pastor, the Rev. Samuel A. Coile, D. D., who came to Maryville last October from Knoxville, Tenn.

The Men's class and the Westminster Guild had decorated the church with flowers and plants and distributed sweet peas to all the grown people attending.

The usual Sunday school service opened the meeting and under the direction of the superintendent, Dr. A. N. Gray, a special program was given. Two hundred and thirty-five persons were present which was a record breaking attendance for the school.

Give Excellent Talk.

Dr. Coile spoke from the text, "Honor thy Father and thy Mother," for his sermon at the regular church service.

The presentation of this all-important theme, vital as Dr. Coile stated, to us as individuals, families and nation was, in sentiment and expression a sermon that reached the heart of every one.

The music under the direction of Mrs. Charles Edwin Wells, was excellently rendered, the special numbers including a solo by Mrs. Wells, a solo by Emery Airy, with chorus by Dr. Coile and M. E. Ford and orchestra numbers were exceptionally pleasing.

At the conclusion of the church service, luncheon was served in the Sunday school rooms. Baskets of good things, that the women of Nodaway county are famed for cooking gave plenty for the big crowd.

Informal Afternoon Hour.

During the afternoon an informal congregational meeting was held. Dr. Coile, who possesses all the geniality of manner characteristic of the southerner, presided and made the hour one of kindly fellowship with informal discussion of affairs of mutual benefit to pastor and people. Each of the church departments and organizations were talked over and plans made for their betterment.

The Sunday service was the first one of its kind held and its success and enjoyment proved its worth to the Presbyterian people and all attending.

ABOUT 1500 MUST REGISTER

War Department's Estimate Is That 150 Men in Nodaway County Will Be Among First 500,000.

It is estimated that from 1,200 to 1,500 men are in Nodaway county between the ages of 21 and 31, subject to the selective draft service system, who will be required to register on the day to be set by proclamation by the president. The foregoing number is based on the war department's estimate that 315,600 men of Missouri will be required to register.

It is also estimated that not over 150 men from this county will be in the first 500,000.

While the conscription bill is not yet passed the indications are that it will be adopted and signed by within the coming week. Registration blanks have been received here by Sheriff Dowden, who will have supervision of the work. A number have signified their intention to Sheriff Dowden that they would be glad to serve that day.

The blanks are designated to furnish a complete card index of every male of military age who is subject to draft. The War Department blanks do not indicate what the age limits are to be, but when public notice is given that males between certain ages are to register, those who fail to comply within a time to be specified will be subject to penalties which also will be specified by law.

Even males of military age who are not citizens are required to register, according to the blanks.

If You Suffer From Catarrh

don't make the fatal mistake of regarding it as a trifling matter. Authorities agree that Catarrh is an infection of the blood. Consequently, sprays, salves and lotions can afford only temporary relief, because they do not reach the source of the disease,—the blood. When you depend on these temporary remedies alone your case is likely to grow steadily worse until it becomes chronic and possibly affects the lungs.

But even if the infection does not go this far, the continuous dripping of mucous in the throat, the constant spitting and hawking and evil odor of the breath will not only cause misery to you, but will make your presence obnoxious to others. S. S. S., which has been the standard blood medicine for fifty years, will relieve your catarrh, because it will purify your blood and relieve it of the accumulated poisons. S. S. S. contains no mineral or habit-forming drugs. S. S. S. is on sale at all druggists and the advice of our medical department is at your disposal, free of charge.
